## **REGISTRATION OF PLAYERS**

The procedures and policies relating to the registration of players are as follows:

All players must be registered with the Club in the age group that corresponds to their birth date and, unless otherwise determined by the Board in accordance with the Playing Up Policy, must play within his or her designated age group unless otherwise determined by the Club Registrar at his sole discretion based upon all extenuating circumstances.
- B. Players who do not satisfy the age requirements for the U-4 age group, may, at the request of his or her parents, and with the approval of the Registrar in his sole discretion, play in the U-4 age group for their first season in the Club. Commissioners do not have any authority to modify these rules.
- C. Interleague Players, with the approval of the Interleague Coordinator in his sole discretion, may be placed on a team in other than their age group in accordance with the rules and regulations of SSI.
