REMOVAL OF TEAM AND PLAYERS

The procedures and policies relating to the removal of teams from the Club are as follows:

- Any coach or assistant coach of any (a) Intramural Team, (b) Intramural Tournament Team, (c) Interleague Team, (d) Interleague Tournament Team, (e) Pre-Travel Team, (F) Pre-Travel Tournament Team, (g) Travel Team or (h) Travel Tournament Team, of any age and sex, who removes a team or any players from the Club, without the approval of the Board, shall not act as a coach or assistant coach for any other team in the Club at any time thereafter.
- In the event that a coach or assistant coach has removed a team or players from the Club without approval of the Board, and that individual is a coach or assistant coach for another team within the Club, that individual shall be removed, as soon as practicable, as a coach or assistant coach from all teams in which that individual holds a position as coach or assistant coach.
- In the event that a coach or assistant coach has removed a team or players from the Club without approval from the Board, all of the players on such team shall be permitted to return to, and to play for or in, the Club, in accordance with its policies, guidelines, rules and regulations. Nevertheless, and the foregoing notwithstanding, neither the coach nor any assistant coach who has violated the foregoing rule shall be permitted to act as coach or assistant coach regardless of the return of such players.
